

Ha Giang town located 132km by road 4C, Dong Van Plateau is a region of rugged mountains and majestic in the extreme north, the magnificent scenery and impressive.

As far as personal experience is a great way to explore the rocky highlands is a motorcycle or car to drive private vehicles to and in accordance with two mountainous terrain, because the party can stop anywhere along any trail. If traveling coaches, passenger vehicles can catch bus from town 70.000-80.000d/khach price, rent or lease motor vehicles hug (spontaneous services, not for tourism development) for around 150,000 VND per day for self-drive into the village to explore the life of the highlands.

Minimum time for a journey of Dong Van is 2 days and should be on Sunday to participate in fair's famous Highland, Dong Van market session.
